The Delaware, Knox, Marion, Morrow (DKMM) Solid Waste District is a legal political subdivision of the State of Ohio and is funded by a $6.00 per ton fee on municipal solid waste generated within the District.

The District’s Board of Directors consists of twelve county commissioners from its four county members. The Board is charged with implementing the District’s Solid Waste Management Plan.

DKMM funds programs that provide education about and alternatives to disposal of generated wastes. These programs include: recycling, composting, education, solid waste enforcement and monitoring and household hazardous waste, electronics and tire collections. DKMM also provides grant funding to both private and public-sector entities to improve existing or implement new effective waste management programs.

Composting

Backyard composting conserves water, reduces reliance on fertilizers, and saves landfill space. With little expense and effort, you can compost food, yard and paper wastes as well as some animal manure. Be sure to exclude cat and dog waste if compost will be used on vegetable plants.

**Basic Needs of a Compost Pile**

- **Size of Pile**: 3’ x 3’ x 3’ is ideal. This is large enough to hold in heat but small enough to circulate air through the center of the pile.
- **Temperature**: 90-140 degrees ensures quick decomposition.
- **Water**: Not too much and not too little. Your pile should feel like a well wrung out sponge.
- **Air**: Turning your pile regularly will assist the decomposition process and reduce odors.
- **Organic Matter**: The proper balance of greens and browns will result in a quicker usable product.

**PROPER PAINT DISPOSAL**

You can air dry paint by putting it into a box or bag and adding kitty litter, shredded newspaper, or a product called Floor Dry. Some home improvement stores sell an inexpensive paint hardener. Once the paint is in a solid form you can dispose of it in your regular trash by leaving the lid off the can. Never air dry paint near children or pets.
Certified Trash Haulers - City of Mt. Vernon

The city curbside program requires all providers to provide non-subscription curbside pickup to all of their subscribers except commercial establishments and apartment units.

PAY-PER-BAG TRASH SERVICE

* Mid-State Waste 740-694-8070
  Services all of Knox County with the exception of Danville. Residents pay for stickers that are attached to their trash bags at a cost of $3.00 per sticker and are added to their trash routes.

* West End Services 740-485-9637
  Provides a drop off trash service at 1235 W. Gambier St that residents can pay-per-bag. They accept bulk items as well such as furniture and mattresses.

KNOX COUNTY - TRANSFER STATION

A transfer station is a building or processing site for the temporary deposition of waste. Transfer stations are often used as places where local waste collection vehicles will deposit their waste cargo prior to loading into larger vehicles. This is available to residents as well to dispose of items to big for local haulers such as couches, lamps, rugs, mattresses, and construction debris depending on the type of material. Minimum fees may apply.

KNOX COUNTY SPRING CLEANUP PROGRAM

WELCOME TO THE 2020 SPRING INTO ACTION CAMPAIGN!

Knox County Recycling and Litter Prevention sponsors a countywide spring clean-up which begins in the month of April and will end on April 25th. This is open to youth and adult organizations willing to perform a community service by cleaning any public roadway or trail in Knox County. Participating organizations are allowed to select the roadway(s) they wish to clean. All safety equipment, gloves, vests and trash bags are furnished. Collection day will be on April 25th from 12 pm - 2 pm at the Knox County Fairgrounds.

The rewards are cleaner roadways that benefit everyone, the civic pride of making a difference and a stipend of:
- $3.00 a bag for the first 24 bags of litter
- $3.50 a bag for collecting 25-67 bags of litter
- $4.00 a bag for collecting 68-100 bags of litter
- 100 bags is the maximum allowed per group

TIRES WILL NOT BE ACCEPTED.....any tires found on county roadways that are laying along the roadside must be reported to the Township for pick-up and disposal. For more information contact:

KOKOSING STATE SCENIC

RIVER RALLY 2020

SEPTEMBER
26th
10 am - 2 pm

The Kokosing River runs through the heart of Knox County and Mount Vernon and is one of just fourteen Scenic Rivers in Ohio. Celebrate this community treasure with a river cleanup!

What can you expect as a volunteer?
- Volunteers who have canoes can select what section of the river they would like to clean and will be provided gloves and bags to collect litter on the river.
- Volunteers who do not have canoes can walk the river and carry bags to collect litter and will have designated locations to drop off their trash along the river.
- Volunteers must dress for being in the river wearing old tennis shoes / socks / shorts / shirt and hats for sunny days.
- We discourage parents bringing young children because sections of the river can be challenging.
- Transportation will be provided to drop off volunteers at designated access points.
- Each section of the river will have (1) group leader that will provide direction.
- All volunteers will be given a safety talk and information on what to do if injured on the river.
- Volunteers will need to sign a release of liability.
- Water and lunch will be provided.
- The cleanup will take about (2) hours unless you are using a canoe on longer stretches of the river.
